

ELEVEN SCAPES

LIMITED

Site Visit & Consultancy Rate Card

2026 CLIENT EDITION

Our site visit is the first and most important step in developing a successful landscaping project. It allows our team to understand the site, establish the client's requirements, identify opportunities and challenges, and develop practical recommendations **before design and implementation** begin.

01 Site Visit & Preliminary Consultation

SERVICE CATEGORY	RECOMMENDED FEE
Residential Landscapes, Small Gardens	KSh 20,000 – 35,000
Residential Estate / Premium Homes	KSh 30,000 – 50,000
Commercial Projects	KSh 40,000 – 80,000
Agricultural / Farm Master Planning (3+ Acres)	KSh 50,000 – 150,000
Resort / Hospitality Projects	KSh 75,000 – 200,000
Out-of-Town Site Visits	Quoted separately
International Site Visits	Quoted separately

02 Scope of the Site Visit

- | | |
|---|--|
| <ul style="list-style-type: none">Assessment of soil type, topography and drainage conditions. | <ul style="list-style-type: none">Evaluation of existing vegetation, sunlight exposure and shade patterns. |
| <ul style="list-style-type: none">Site measurements and photographic documentation. | <ul style="list-style-type: none">Identification of potential challenges and opportunities. |
| <ul style="list-style-type: none">Discussion of the client's vision, functional needs and design preferences. | <ul style="list-style-type: none">Preliminary design and implementation recommendations. |

03 Important Note

Consultancy and site visit fees are deductible from the total project cost where Eleven Scapes is appointed to undertake the design and implementation works, subject to project scope and agreement.

For larger, specialised or complex projects, final fees may be adjusted according to project scale, location, scope and logistical requirements.
